Thank you to all members supporting through dues and/or donations. We would like again to let you know that when you pay your membership dues please send directly to us and we will then contact the National and when the state office is up and running again we will be sure to notify them. This way we get your monetary support right away and remember that you have the choice to join the affiliate of your choice, but if you wish for our chapter to be your affiliate, this is the best way to insure that we can help you directly.

Also, to all the Board members, for their time and efforts to help our chapter do what we do.

Best Regards,

Shirley Gallagher
President
